and FEMA Map Updates for SW Florida**

About Lynne-

Lynne Magel, Associate in National Flood Insurance for the National Flood Insurance Program Region VI has been affiliated with the Flood Program for the past twenty years.

Formerly, employed with Metropolitan Property & Casualty Insurance Company in Dayton, Ohio, Lynne spent several years as a Flood Insurance Sales Consultant for the Group Accounts Division. With responsibilities throughout Alabama, Mississippi, Kentucky, Tennessee, North Carolina, South Carolina, Georgia, and Florida, Region IV provides a multitude of challenges and opportunities.

Lynne is an expert in her field, providing technical guidance to clients throughout her region and the nation, responding to deployments in claims Flood Response Offices, assisting community, states and regions as insurance specialist in Joint (Disaster) Field Offices, and supporting FEMA at Map Modernization Outreach Meetings. She responds daily to complex regional matters dealing with policyholders, lenders, realtors, and underwriters.
