TICKET ON US!**

For the past quarter century the MBA of Southwest Florida supports the Annual Greater Naples Fire Rescue District Toy Drive. The age groups we historically require the most assistance in collecting toys for is; ages 8 thru 12 for both boys and girls.

****Please make sure your gift is unwrapped. If you bring a bicycle your MBA of Southwest Florida will buy the child a bicycle helmet!****

VOLUNTEERS NEEDED: The actual Toy Distribution dates this year will be Wednesday December 20th and Thursday December 21st. Many of our members have been Toy Drive volunteers over 20 years, and help escort and assist parents with gift selections. The Fire Department will appreciate our help again this year!

**We thank Carrabba's Italian Grill of Naples as they continue their tradition
of partnering with us to provide food for the volunteers!**

The MBA of Southwest Florida splits the cost of food for the two nights with Carrabba's and we are responsible for transporting the food to the Toy Drive headquarters.

If you wish to volunteer to distribute toys or deliver food please contact Debra Trevick at Debra.Trevick@USBank.com or by phone at 612-719-2250.

All Toy Drive event activities will be held at Greater Naples Fire Department Administrative Headquarters located at 14575 Collier Blvd, Naples
