

PLEASE NOTE NEW MEETING LOCATION

MORTGAGE BANKERS ASSOCIATION OF SOUTHWEST FLORIDA

Next Luncheon is:
Thursday, March 15th

Special Speaker:

Michael Timmerman
Senior Vice President, Meyer's Research

Overview of the Southwest Florida
Housing Market- An Economist's
Perspective

About Mike...

Mike has over 30 years' experience providing clients with market intelligence to measure and monitor changes that occur in the real estate market. Knowing how your customers interact with the economy, allows you to make focused, strategic plans to achieve your objectives. Mike's ability to evaluate and segment the housing supply by lifestyle helps quantify the specific housing demographic that each lifestyle caters to.

Prior to joining Meyers Research, Mike owned a consulting firm serving developers, private equity firms and family funds. He was the Senior Managing Director for Hanley Wood Market Intelligence, which was a continuation of his management after their purchase of Feasinomics, the firm he founded. Mike holds the CRE designation from the Counselors of Real Estate and is a Fellow of the Royal Institute of Chartered Surveyors. He has a degree in Economics from Northland College in Wisconsin
