#### All About Mark...

Mark Strain was elected Chairman of the Collier County Planning Commission in 2005 and has held the position for over 14 years. His experience in construction, development planning and land use spans over 40 years, most of which has been in Collier County. Prior to working for the Board of County Commissioners, his career work included all aspects of land use, including feasibility, due diligence and land acquisition, to complete project planning and permitting at all levels of government; managing the installation of miles of roads and infrastructure and finally to vertical build out and turnover.
